As it is of no use to him he is wondering if he could make a Razoredge owner happy. The condition is used, and in need of a re-chrome, the starting handle flap is also missing. **FOR SALE: CAR RECENTLY COMING ONTO THE MARKET**

I’m getting in touch as we have a 1949 Triumph TDA for sale. It was bought from Bobs Affordable Classics in December 2018 for my (retired motor engineer) father to restore but sadly a dose of COVID means that his health now forces the sale. At the age of 79, he’s decided to fully retire after all !

It’s fair to say the car is in poor condition and will be a brave restoration! None the less, the engine would run when we bought it (hasn’t been run for 2 years) and the car is a rolling chassis in order to get it winched onto a trailer. It may turn out to be a spares donor rather than a restoration but an expert eye will know. It’s been dry, warm garage stored since we bought it.

The original registration was HCE 470 but sadly Bob transferred that plate before selling it (and most disappointingly without telling us despite us asking about the plate) and so the current registration is YXS 911. The original plate now seems to be on a Humber Hawk so may be retrievable if that owner can be found and is amenable.

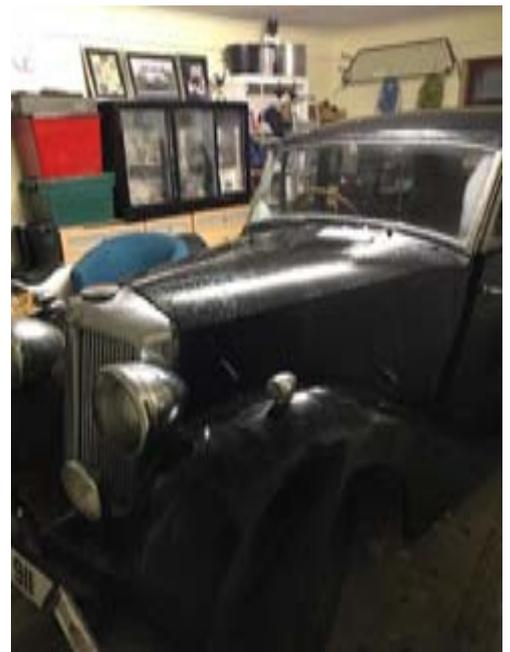

If this vehicle is of interest to your members, we’d be most grateful if you would share the details. We’re open to offers.

I’ve enclosed some pics of the car.

Best wishes

Claire Donovan

This car, **HCE 470, now YXS 911, TDA 270 DL**, was in the Club with member Lyndon Lewis of Gwent, from September 1983, and then more recently with John Watkins in Herefordshire until 2018, but was just in storage all during that time - awaiting the right owner to come along. **Could it be you?**
